February 4, 2012

# Moonlight & Magnolias

*In 1939, producer David O. Selznick is faced with a dilemma: the script for his next epic film "Gone with the Wind" just doesn't work. Calling in the aid of legendary screenwriter Ben Hecht and director Victor Fleming, Selznick sets the trio to work on a marathon re-writing session.*

Join us for dinner at Vergina (700 Fifth Avenue South) at 6 PM before the 8 PM show across the street at the Blackburn Hall at the Sugden (701 Fifth Avenue South). Show tickets are \$32 each (make checks payable to Brown University Club of Southwest Florida).
