

BROWN UNIVERSITY CLUB of Southwest Florida

**The Brown University Club of Southwest Florida
invites you
to our Second Annual Dinner and Theater Evening**

Saturday, February 13th, 2010

In this performance by the Naples Players at the Sugden Theater, a pair of misprinted, amazingly valuable stamps have come into the possession of a pair of estranged sisters and are a lure for unsavory characters. This play reveals just how surprising philately can be, as a seemingly simple sale becomes dangerous. The sharp-witted dialogue pops with unflinching swagger in a caper that's comic.

The performance is at 8pm but please join us for dinner at 5:30 at the Jolly Cricket Gastropub at 720 Fifth Avenue.

Tickets to "Mauritius" are just \$17 per person, and we'll be ordering a la carte at The Jolly Cricket. As always, this event is open to all Brown Club members, their guests, and friends of Brown University.

Reservations are required by February 10, so please call **Carole Leher at 239-254-9518 or contact her at **celeher@earthlink.net** and let her know if you wish to attend the theater event and whether you will also be joining us for dinner.**
